*Football Evening*

**16<sup>th</sup> July**

*End of Term Picnic*

April 2008

## News

### Welcome

Hello everyone and welcome back to Beavers after what has been a slightly confusing term with the holidays not falling at Easter.

We have lost several boys to cubs but are welcoming seven new Beaver's to the colony. A reminder that our waiting list is still quite long so if you have any younger siblings who are not on the list or know of any friends who have children who may want to join when they reach the age of six, please let us know.

### Outings

We have four outings planned for this term so please make sure you have completed the permission slips. This is very important as, if we don't have the signed slips, your child will not be covered by our insurance and cannot take part.

### Badge work

Last term was a record one for badges and we hope to continue the good work with lots of opportunities for new achievements.

### District Events

Thank you to the six boys and their parents who made it to St George's Day parade. This is a very special day in the district calendar and we were very proud to be there.

### Parents Rota

We are always grateful for parental help. The list for helpers is up on the noticeboard so please put your name down even if you can only make it once a year.

### Web Site

Please remember that all details of our programme, social events and Scouting news are available on our website.

Have a great Summer Term!
