News

September 2007

Welcome

Hello everyone and welcome back to Beavers.

An especially warm welcome to our newest recruits; we hope this will be the beginning of a lifetime association with scouting.

Outings

Attached to this news letter is a consent form which will cover all our outings this term. It would be really helpful if everyone could return the reply slip by next week so that we are not chasing forms at the last minute.

Safety

As the evenings draw in can we remind everyone to be careful when coming to or leaving Beavers as there is no pavement on the scout hut side of the road.

Badge work

This term we will be working as a group towards the craft and faith badges. If your Beaver would like to earn more badges, please see Seagull, as some badges can be worked on at home.

Bronze Award for older boys

Following the success of last term, the older boys will be making a glove puppet which will count towards their bronze awards. Details to follow.

Talent

We are always happy for the boys to bring in anything which demonstrates a skill or experience they would like to share. Sometimes this could count towards a badge.

Parents Rota

To help your son to get the most out of each meeting we need as much help as possible, even if we are not on an outing. The list for helpers is up on the noticeboard so please put your name down. Please note that you will need to have completed a CRB form (included in the new parent pack) before you can volunteer your services.
