Cub Camp

Our spring camp will be held at Blacklands Farm in East Grinstead. I have booked it for the weekend of 9-11 May 2008. It will be invite only and we are currently arranging the booking of some fantastic activities.

Badges

We are working towards the Entertainers, Road Safety and the Global Challenge. There are a lot of new badges that have been introduced and we will be including as many of them in the programme as possible.

If any Cub would like to work toward other badges please tell a Leader which badge they would like to do then "go for it!" The badge info is on the Internet @ Scoutbase.org or I have a little book with all the details in for just £1.00.
